Adults need around 2000kcal a day.

Our easy-to-use allergen guide is available for you to use on the food section of our website or on our Glass Onion app. We keep it online so that it's always as up to date as possible and you can filter out dishes containing any of the 14 major allergens. If you can't access the internet, we will be happy to provide you with the information. Our food and drinks are prepared in food areas where cross contamination may occur, and our menu descriptions do not include all ingredients. If you have any questions, allergies, or intolerances, please let us know before ordering.

Alcoholic volumes were correct at time of printing, but may vary due to changes in vintage, please ask a member of our team or check the bottle for exact %. All drinks are subject to availability. Calories are correct at the time of menu print. Live nutrition information is available online. Alcohol is served to those aged 18 years and over only
